(f) Cost accounting standards authority

(1) The Board shall have the exclusive authority to make, promulgate, amend, and rescind cost accounting standards and interpretations thereof designed to achieve uniformity and consistency in the cost accounting standards governing measurement, assignment, and allocation of costs to contracts with the United States.

(2)(A) Cost accounting standards promulgated under this section shall be mandatory for use by all executive agencies and by contractors and subcontractors in estimating, accumulating, and reporting costs in connection with pricing and administration of, and settlement of disputes concerning, all negotiated prime contract and subcontract procurements with the United States in excess of the amount set forth in section 2306a(a)(1)(A)(i) of title 10, as such amount is adjusted in accordance with applicable requirements of law.

(B) Subparagraph (A) does not apply to the following contracts or subcontracts:

(i) Contracts or subcontracts for the acquisition of commercial items.

(ii) Contracts or subcontracts where the price negotiated is based on prices set by law or regulation.

(iii) Firm, fixed-price contracts or subcontracts awarded on the basis of adequate price competition without submission of certified cost or pricing data.

(iv) A contract or subcontract with a value of less than \$7,500,000 if, at the time the contract or subcontract is entered into, the segment of the contractor or subcontractor that will perform the work has not been awarded at least one contract or subcontract with a value of more than \$7,500,000 that is covered by the cost accounting standards.

(C) In this paragraph, the term “subcontract” includes a transfer of commercial items between divisions, subsidiaries, or affiliates of a contractor or subcontractor.

(3) The Administrator, after consultation with the Board, shall prescribe rules and procedures governing actions of the Board under this section. Such rules and procedures shall require that any cost accounting standard promulgated, amended, or rescinded (and interpretations thereof) shall be adopted by majority vote of the Board members.

(4) The Board is authorized—

(A) to exempt classes or categories of contractors and subcontractors from the requirements of this section; and

(B) to establish procedures for the waiver of the requirements of this section with respect to individual contracts and subcontracts.

(5)(A) The head of an executive agency may waive the applicability of the cost accounting standards for a contract or subcontract with a value less than \$15,000,000 if that official deter-

mines in writing that the segment of the contractor or subcontractor that will perform the work—

(i) is primarily engaged in the sale of commercial items; and

(ii) would not otherwise be subject to the cost accounting standards under this section, as in effect on or after the effective date of this paragraph.

(B) The head of an executive agency may also waive the applicability of the cost accounting standards for a contract or subcontract under exceptional circumstances when necessary to meet the needs of the agency. A determination to waive the applicability of the cost accounting standards under this subparagraph shall be set forth in writing and shall include a statement of the circumstances justifying the waiver.

(C) The head of an executive agency may not delegate the authority under subparagraph (A) or (B) to any official in the executive agency below the senior policymaking level in the executive agency.

(D) The Federal Acquisition Regulation shall include the following:

(i) Criteria for selecting an official to be delegated authority to grant waivers under subparagraph (A) or (B).

(ii) The specific circumstances under which such a waiver may be granted.

(E) The head of each executive agency shall report the waivers granted under subparagraphs (A) and (B) for that agency to the Board on an annual basis.

(g) Requirements for standards

(1) Prior to the promulgation under this section of cost accounting standards and interpretations thereof, the Board shall—

(A) take into account, after consultation and discussions with the Comptroller General and professional accounting organizations, contractors, and other interested parties—

(i) the probable costs of implementation, including inflationary effects, if any, compared to the probable benefits;

(ii) the advantages, disadvantages, and improvements anticipated in the pricing and administration of, and settlement of disputes concerning, contracts; and

(iii) the scope of, and alternatives available to, the action proposed to be taken;

(B) prepare and publish a report in the Federal Register on the issues reviewed under paragraph (1)(A);

(C)(i) publish an advanced notice of proposed rulemaking in the Federal Register in order to solicit comments on the report prepared pursuant to subparagraph (B);

(ii) provide all parties affected a period of not less than 60 days after such publication to submit their views and comments; and

(iii) during this 60-day period, consult with the Comptroller General and consider any recommendation the Comptroller General may make; and

(D) publish a notice of such proposed rulemaking in the Federal Register and provide all parties affected a period of not less than 60 days after such publication to submit their views and comments.

(2) Rules, regulations, cost accounting standards, and modifications thereof promulgated or amended under this section shall have the full force and effect of law, and shall become effective within 120 days after publication in the Federal Register in final form, unless the Board determines a longer period is necessary. Implementation dates for contractors and subcontractors shall be determined by the Board, but in no event shall such dates be later than the beginning of the second fiscal year of the contractor or subcontractor after the standard becomes effective. Rules, regulations, cost accounting standards, and modifications thereof promulgated or amended under this section shall be accompanied by prefatory comments and by illustrations, if necessary.

(3) The functions exercised under this section are excluded from the operation of sections 551, 553 through 559, and 701 through 706 of title 5.

(h) Implementing regulations

(1) The Board shall promulgate rules and regulations for the implementation of cost accounting standards promulgated or interpreted under subsection (f) of this section. Such regulations shall be incorporated into the Federal Acquisition Regulation and shall require contractors and subcontractors as a condition of contracting with the United States to—

(A) disclose in writing their cost accounting practices, including methods of distinguishing direct costs from indirect costs and the basis used for allocating indirect costs; and

(B) agree to a contract price adjustment, with interest, for any increased costs paid to such contractor or subcontractor by the United States by reason of a change in the contractor's or subcontractor's cost accounting practices or by reason of a failure by the contractor or subcontractor to comply with applicable cost accounting standards.

(2) If the United States and a contractor or subcontractor fail to agree on a contract price adjustment, including whether the contractor or subcontractor has complied with the applicable cost accounting standards, the disagreement will constitute a dispute under the Contract Disputes Act [41 U.S.C. 601 et seq.].

(3) Any contract price adjustment undertaken pursuant to paragraph (1)(B) shall be made, where applicable, on relevant contracts between the United States and the contractor that are subject to the cost accounting standards so as to protect the United States from payment, in the aggregate, of increased costs (as defined by the Board). In no case shall the Government recover costs greater than the increased cost (as defined by the Board) to the Government, in the aggregate, on the relevant contracts subject to the price adjustment, unless the contractor made a change in its cost accounting practices of which it was aware or should have been aware at the time of the price negotiation and which it failed to disclose to the Government.

(4) The interest rate applicable to any contract price adjustment shall be the annual rate of interest established under section 6621 of title 26 for such period. Such interest shall accrue from the time payments of the increased costs were made to the contractor or subcontractor to

the time the United States receives full compensation for the price adjustment.

(i) Omitted

(j) Effect on other standards and regulations

(1) All cost accounting standards, waivers, exemptions, interpretations, modifications, rules, and regulations promulgated by the Cost Accounting Standards Board under section 2168¹ of title 50, Appendix, shall remain in effect unless and until amended, superseded, or rescinded by the Board pursuant to this section.

(2) Existing cost accounting standards referred to in paragraph (1) shall be subject to the provisions of this chapter in the same manner as if promulgated by the Board under this chapter.

(3) The Administrator, under the authority set forth in section 405 of this title, shall ensure that no regulation or proposed regulation of an executive agency is inconsistent with a cost accounting standard promulgated or amended under this section by rescinding or denying the promulgation of any such inconsistent regulation or proposed regulation and taking such other action authorized under section 405 of this title as may be appropriate.

(4) Costs which are the subject of cost accounting standards promulgated under this section shall not be subject to regulations that are established by another executive agency that differ from such standards with respect to the measurement, assignment, and allocation of such costs.

(k) Examinations

For the purpose of determining whether a contractor or subcontractor has complied with cost accounting standards promulgated under this section and has followed consistently the contractor's or subcontractor's disclosed cost accounting practices, any authorized representative of the head of the agency concerned, of the offices of inspector general established pursuant to the Inspector General Act of 1978, or of the Comptroller General of the United States shall have the right to examine and make copies of any documents, papers, or records of such contractor or subcontractor relating to compliance with such cost accounting standards.
